

DEPARTMENT 6 - HORSES

Open class equine entries must be on fairgrounds by 6 p.m., Friday, unless other arrangements are made with the superintendent. Animals cannot be removed before Sunday, at 5:00 p.m. without the written consent of the Manager. Any violation of this rule forfeits premium.

All equine animals must be accompanied by documentation (original laboratory report, Certificate of Veterinary Inspection,) of a negative Coggins test conducted within the current calendar year. Copy of test report must accompany the preregistration form.

Exhibitors will be responsible for feed and care of their animals. Stall rent of \$3.00 per horse will be charged, and collected on entry day. A \$25 stall cleaning deposit in the form of a check will be required for each horse entered on entry day. Checks will be returned on Sunday evening after stall is cleaned by exhibitor, then inspected and approved by a horse barn superintendent.

Local Fair Regulations:

All equine are required to be vaccinated for Eastern and Western Encephalomyelitis, Influenza (A1 and A2). It is also recommended that all equine have tetanus shots. Exhibitors who do their own vaccinations must provide serial number and manufacturer's name. All others must provide veterinary proof.

No animal shall be entered in the name of any other than the bona fide owner, except if the exhibitor is under 18 years of age. If a horse is shown by more than one exhibitor in a lot number, only one premium will be awarded that horse in that lot.

ASTM/SEI approved equestrian helmets are required for all participants age 18 years & under (bicycle helmets are not accepted).

Registration papers must be presented at time of show. All horses will be examined by a licensed veterinarian on entry day and daily during the fair. Any horse showing symptoms of contagious or infectious disease or found unfit for the show at any time during the fair will be ordered to be removed from the fairgrounds.
