

JUNIOR FAIR

The Junior Fair is open to boys and girls who are members of 4-H, Future Farmers of America, Future Homemakers of America, or any other recognized youth organization under adult leadership and with an education program approved by the local fair.

No entry fee is charged in Junior Fair. All exhibits must be the result of the labor of the person exhibiting. Any or all 4-H exhibits must be the project of this year's club work.

Club members are eligible to enter products only from those projects in which they are enrolled prior to December 31. New members to 4-H must be enrolled in the project by May 1st.

All junior fair entries are judged using the Danish system. Group A-1st place, Group B-2nd place, Group C-3rd place, and Group D - 4th place.

Grades are determined as of January 1 of the current year. No exhibits shall be paid more than one premium under any one lot number.

No premiums will be awarded to specimens or exhibits deemed not worthy by the judges.

Where not otherwise indicated the term exhibit can mean a poster or chart size as either 14" x 22" or 28" x 22" or a 1-2 page report or a journal or a collection or display of actual items or a diorama. Smaller items may be packaged in "zip lock" bags. Be sure to check the specific instructions under each department for further requirements.

"Any other article (or exhibit)" cannot be a duplicate of another lot number. It can only be an exhibit that does not fit in any other lot number. In classes where the number of entries are three or less, the judge shall use his own discretion as to whether the ranking exhibits shall be awarded first, second, third or fourth premiums.

Proper precaution will be taken to guard against accidents or loss, but in no case will the Fair, Inc. be responsible for loss or accident from any cause.

All entries must be registered on the pre-registration form and are due at the County Extension Office on Friday, June 18, 2010 or June 17, 2011 by 4:30p.m.
